This Is My "Will" - How To Write Obiographical Sketches (Your Own Obituaries) is a handbook to help families and churches write creative obituaries for burial programs. The handbook is intended to give you operational tools to use before an emergency. An "obituary" is what you read announcing the end of life of a person. What your family wants to do is to write a true-to-life biographical sketch of your loved one before he or she is no longer able to do it herself/himself!
